

Curriculum Vitae

John Hempton

Areas of expertise: Banks, insurance and other financial institutions, some media and a few other stocks that come from these.

Interests: Family, bushwalking, climbing, surf lifesaving, cycling ...

Academic 1991: Bachelor Economics (Adelaide) – first class honours.

Career history:

- Financials analyst and (junior) partner at Platinum Asset Management – the most successful then privately held Southern Hemisphere financial firm. I was responsible for financial stocks world wide. I also covered media and utilities.

Prior to this I was:

- Chief Analyst, Tax Policy, New Zealand Treasury (1998-1999).
- Executive Assistant to the CEO, ANZ Bank New Zealand, (1997-1998)
- Strategic Planning ANZ Bank, Melbourne (1997)
- Various positions (mostly tax policy) at the Australian Treasury (1991-1997).
